*Delivering flexible packaging  
excellence through partnership*

December 2015

Catty Corp's new website is officially live! The new site includes all the features you're used to seeing at **CattyCorp.com** with a new look and updated functionality. Click the link below to take a look.

In conjunction with the new site launch, Catty is also launching a new quarterly newsletter program to keep people up to speed on the latest news out of Catty as well as other interesting related industry news.

VISIT OUR  
NEW WEBSITE

## Catty Updates

### Catty takes on Washington

Last month, the Catty Team visited our nation's capital to support the Confectionery Industry and to talk to our politicians about 'The Power of Sweet'.

## Millennials to Spur Growth in Wine Packaging.

A recent PackWorld study has found that more and more millennials are choosing wine as their alcoholic beverage of choice and sales are up because of it. With the demo-graph of the average wine-consumer changing, packaging trends too are on the move.

## Hershey launches new Kiss Deluxe

A new take on the classic, foil-wrapped treat. This delicious item hit stores this past month and we at Catty would highly recommend you giving them a try. We love to see a major brand like Hershey's recognizing the great benefits to foil-wrapping their chocolates.

## Butter is back in Consumer's Good Book - More Taste.

A recent study by the Manitoba Co-op shows that trends have shifted and consumers are going 'back to butter' in search of better taste and a better experience with their food. Where once diet trends shunned the essential ingredient, they're now acknowledging that butter can be a part of a healthy diet when used in moderation.
